

Cash For Clunkers Program

We're offering our own version of the successful automotive "Cash For Clunkers" program. You'll save and less fortunate people will benefit from your donation!

Everyone Wins!

Donate your old glasses (clear or sunglasses, either is fine) and receive 15% off of any regular priced pair of prescription glasses.

Update your look and feel great for doing so.

We will see that your unused glasses are donated to a charity that will put them to great use on charity missions.
